15 December 2006

Dear Chemistry Department Chair,

Please bring the following position to the attention of graduate students and post docs who may be interested.

Thank you.

Laura Parmentier
Chair, Department of Chemistry

*BELoit COLLeGE* seeks a Visiting Assistant Professor/Instructor as a one-year sabbatical replacement starting August, 2007. This is a full-time 9-month position, and includes teaching two laboratory courses per semester. The candidate will be expected to teach introductory and analytical chemistry as well as advanced courses in their area of expertise. Candidates who have completed the requirements (or all requirements but the dissertation) for the Ph.D. degree by the starting date are preferred. To apply, send C.V., statement of teaching experience, transcripts, and names of three references to Doreen Dalman, Chemistry Dept., Beloit College, Beloit, WI 53511 (dalmand@beloit.edu). Completed applications will be reviewed as received until the position is filled. For more information about Beloit College see http://www.beloit.edu and http://www.beloit.edu/~chem/. Beloit College is committed to the educational benefits of diversity and urges all interested individuals to apply. AA/EEO Employer
