One-Year Full-Time Temporary Analytical or Physical Chemistry Faculty Position  
Department of Chemistry

The Position:  
The Department of Chemistry at California State University, Chico, is seeking to fill a full-time, temporary analytical or physical chemistry faculty position for the 2007-08 academic year starting on August 16, 2007.

As a university that educates students of various ethnic and cultural backgrounds, we value a diverse faculty and staff. CSU, Chico welcomes applicants who are knowledgeable about and interested in working within a cross-cultural learning environment.

Minimum Qualifications:  
Ph.D. in Analytical or Physical Chemistry by no later than the Fall 2007 appointment date. Demonstrated experience with a wide variety of instrumentation. Demonstrated potential for excellence in teaching.

Preferred Qualifications:  
Teaching experience in university-level chemistry courses. Potential for excellence in professional development.

Responsibilities:  
Teach Quantitative Analysis and Instrumental Analysis, lecture and lab.
Participate in instruction of the Integrated Laboratory
Teach general chemistry courses, major or non-major, lecture or lab.

Rank:  
Lecturer B

Salary:  
$45,156 – $56,928 per academic year, based on qualifications and experience.

The Department:  
The Department of Chemistry has 9 full-time faculty, 70-80 majors (options in chemistry and biochemistry) and a very active SAACS chapter. Most of our majors participate in undergraduate research and go on to graduate or professional schools.

Closing Date:  
Review will begin February 6, 2007. Applications completed after that date may be considered.

How to Apply:  
Applicants must submit a resume, statement of teaching philosophy, unofficial graduate and undergraduate transcripts, and three current letters of recommendation to:
