VISITING ASSISTANT PROFESSOR POSITION IN ORGANIC CHEMISTRY
JOINT SCIENCE DEPARTMENT
CLAREMONTE MCKENNA, Pitzer, AND SCRIPPS COLLEGES

The Chemistry Program of Claremont McKenna, Pitzer, and Scripps Colleges seeks to hire an organic chemist for the 2007-08 academic year. Teaching responsibilities will include organic chemistry lecture and lab, general chemistry lab and participation in a team-taught advanced laboratory course in the spring. Directing undergraduate research projects is also a possibility. Appointment will be made at the Visiting Assistant Professor level to begin August 2007. A doctorate in chemistry is strongly preferred and prior teaching experience is required.

Please submit by mail (not email) a CV and a statement of teaching philosophy, and arrange to have three letters of reference sent to: Visiting Chemistry Position, W. M. Keck Science Center, 925 N. Mills Avenue, Claremont, CA 91711-5916. Telephone: (909) 621-8298. Direct inquiries to Kersey Black: kblack@jsd.claremont.edu. Review of applications begins March 26, 2007, though the position will remain open until filled.

In a continuing effort to enrich its academic environment and provide equal educational employment opportunities, The Claremont Colleges actively encourage applications from women and members of historically under-represented groups in higher education.
