Openings for Post-Doctoral Positions

The Schulich Faculty of Chemistry of the Technion – Israel Institute of Technology is offering attractive post-doctoral positions for outstanding candidates in all areas of chemistry. The candidate should be highly motivated and will be expected to be an active member of one of our research teams.

The minimum requirement is a recent Ph.D. degree in chemistry or a closely related field. The appointments are non-tenure and are for one year with an option of renewal for one additional year.

Applications should include three recommendation letters, a cover letter including a brief description of research experience and research interests, CV, List of Publications. Also include our application form which should be downloaded from the Faculty Website: http://schulich.technion.ac.il/schulich_post-doctoral_program.htm or directly from http://schulich.technion.ac.il/forms/postdoc-form.doc

For more details about our Faculty and its members go to http://schulich.technion.ac.il/.

Deadline for applications: 30 September 2007.

Please send applications, preferably by email, to the Faculty Secretary:

Ms. Sabine Cioara, Email: info@schulich.technion.ac.il
